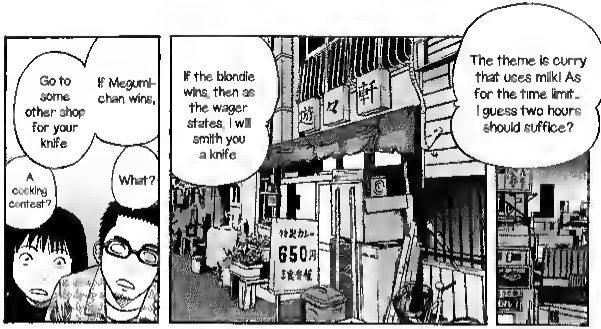
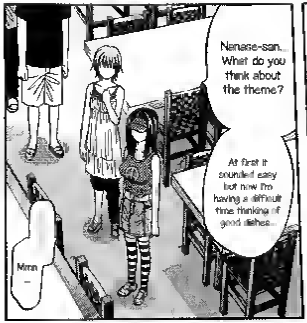
CHAPTER 128 BIRDS OF A FEATHER
AND THE MILK PANEER CURRY



A cooking contest?
What?
If Megumi-chan wins,
Go to some other shop for your knife
If the blondie wins, then as the wager states, I will smith you a knife
650円
The theme is curry that uses milk! As for the time limit... I guess two hours should suffice?

Will these rules work?
Sure.
I HAVE NO PROBLEM.
Alright.

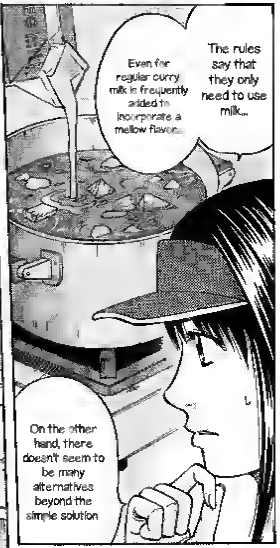


Nanase-san. What do you think about the theme?
At first it sounded easy but now I'm having a difficult time thinking of good dishes...
Mmm...

Yuki-chan is that guy and Megumi-san really having a cooking contest?
Nod

Looks like another one of those unrealistic fantasies.
I can't tolerate such extreme men.
Maybe... if that bastard loses to Megumi-san.

In short, the theme of this contest would test their ingenuity...

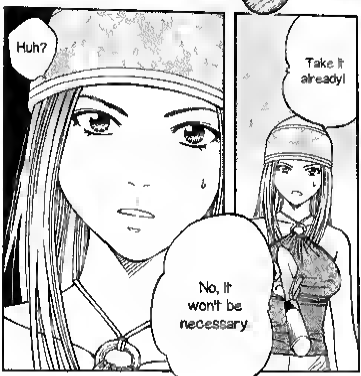


The rules say that they only need to use milk...
Even for regular curry milk is frequently added to incorporate a mellow flavor...
On the other hand, there doesn't seem to be many alternatives beyond the simple solution

Makoto
Hey!
Rub Rub

Yeah!
ARE YOU NOT SATISFIED??
Is that a santoku made by the old master?

Here, use this one for now
You don't have a knife, right?



Huh?
Take it already!
No, it won't be necessary

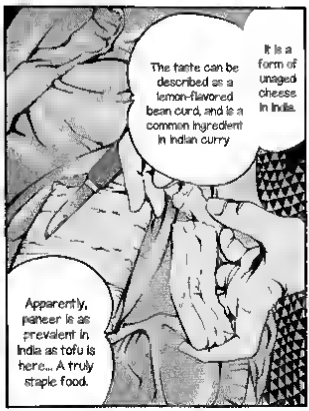
Scratch scratch

!!
In other words are you planning to cook without a knife?
Heh-
If it's because I'm a woman...
I will make you eat your own words!
After I win it through the contest.
I will take my time to savor the santoku..

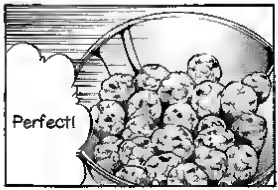
Ready...
Raise
Well..let's get this underway
No that's not what I meant
Start!!!
CHOP
CHOP

Boiling so much milk from the start
WHAT'S HE UP TO?
What is he making?
To refuse the knife, even stubbornness should have some bounds.
Could it be...?
That...
You are really simple!
Hmph

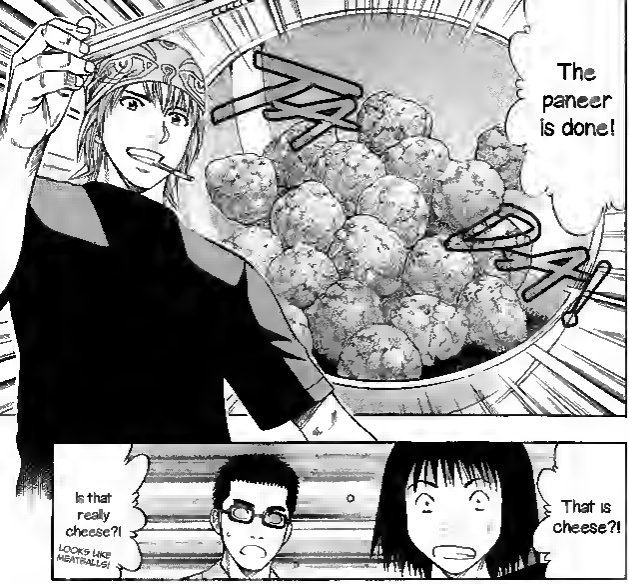
That's because my family's restaurant also routinely uses paneer
You are pretty well informed...
Never heard of paneer before...



It is a form of unaged cheese in India.
The taste can be described as a lemon-flavored bean curd, and is a common ingredient in Indian curry
Apparently, paneer is as prevalent in India as tofu is here... A truly staple food.



PR/N Paneer s like cottage cheese

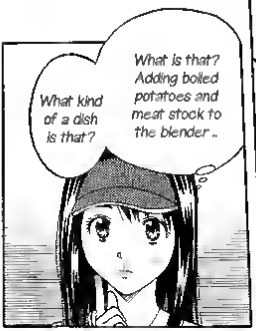


The paneer is done!
That is cheese?!
Is that really cheese?!
LOOKS LIKE MEATBALLS!

WHIRRR...

On the other hand, Megumi-san...

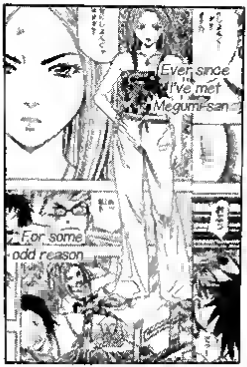
I see...
SO WE USED OIL TO KEEP THE PANEER.
Kuniga-san's curry will be using paneer made from milk...



What kind of a dish is that?
What is that? Adding boiled potatoes and meat stock to the blender..

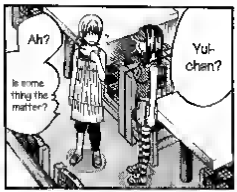
WHIRRR...

Hey, Yui-chan, is that also an Indian dish?

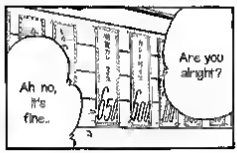


Even since I've met Megumi-san...
For some odd reason

I always felt...



Yui-chan?
Ah?
Is something the matter?



Are you alright?
Ah no, it's fine..

Everything about those two...
Not just their way of speaking... Even the aura they give off when they are cooking
Feels incredibly similar

We'll let the blondie start it off!
First up is...
That's right...
Alright!
Let us commence the taste test!
Alright!
!!?
Please enjoy!
The curry that uses cheese made from milk... I wonder how it has turned out...
Here it comes...

松
……

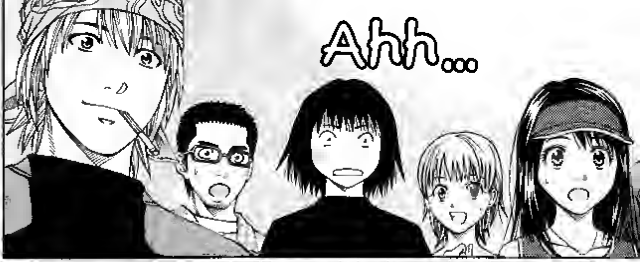
What is with that color...?
?

Is that some sort of batter on top?
Hey, is that really considered curry?!
WHAT'S WITH ALL THAT WHITE STUFF?

松
……
Scoop

Isn't...
Isn't this...
Ohhh...!
Milk?!
Gulp
Fall over

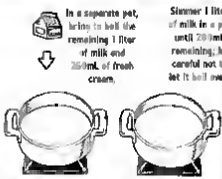
The curry itself...
Is also made with milk!
No! It's not that!
We already know that the curry has milk in it!!! That's the cheese!
IT'S YOUR IDEA!
What...?
Did you boil the paneer and the spices into the already paste-like milk?
Within the mellow flavor, there permeates a strong scent of the spices! Altogether...a perfect combination with the cheese!
One can even say this curry is filled with milk at its very essence!!!
This is...
Extremely delicious!!!



MILK PANEER CURRY (SERVES 4)

① Simmer 1 liter of milk in a pot until 200ml remaining; be careful not to let it boil over.

② In a separate pot, bring to boil the remaining 1 liter of milk and 250ml of fresh cream.

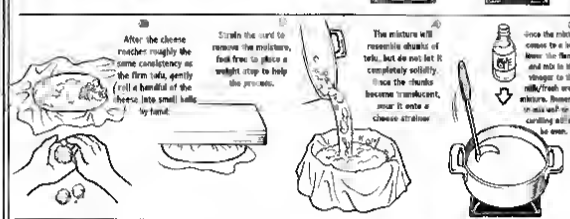


③ After the cheese reaches roughly the same consistency as the firm tofu, gently roll a handful of the cheese into small balls by hand.

④ Strain the curd to remove the moisture, feel free to place a weight atop to help the process.

⑤ The mixture will resemble chunks of tofu, but do not let it completely solidify. Once the chunks become translucent, pour it onto a cheese strainer.

⑥ Once the mixture comes to a boil, lower the flames and mix in the vinegar to the milk/fresh cream mixture. Remember to mix well so the curdling will not be uneven.

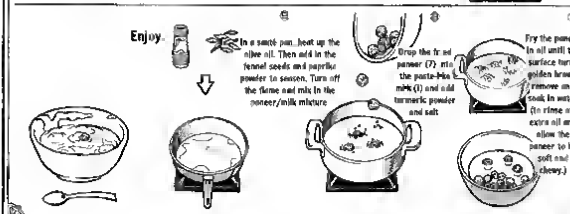


⑦ Fry the paneer in oil until the surface turns golden brown, remove and soak in water (to rinse off extra oil and allow the paneer to be soft and chewy.)

⑧ Drop the fried paneer (7) into the paste-like mix (3) and add turmeric powder and salt.

⑨ In a sauté pan, heat up the olive oil. Then add in the fennel seeds and paprika powder to season. Turn off the flame and mix in the paneer/milk mixture.

Enjoy.



step
Next up is Megumi-chan!
Your curry was very interesting
However-
It lacks creativity.
Feast your eyes on this!
The dish that expands upon the known horizon for curry!!!
